

L-CAT[®] SHORE-TO-SHORE

Stand-alone force projection craft

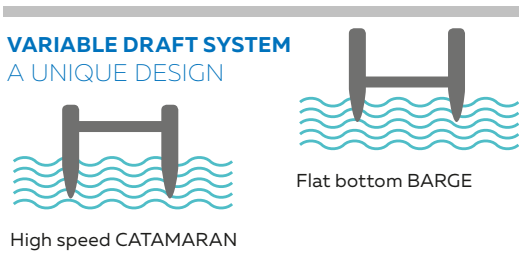

L-CAT[®] Shore-to-shore

STAND-ALONE FORCE PROJECTION CRAFT

Highly maneuverable, the L-CAT[®] Shore-to-shore provides exceptional operational flexibility for amphibious assaults and humanitarian operations, **without compromising between speed and payload.**

- ▲ Amphibious Operations
- ▲ Maritime Security
- ▲ Unique operational capabilities

The L-CAT[®] Shore-to-shore is the only vessel to transport **80 tons at 25 knots**, or up to **sea state 6**, to land in very shallow water (~1m) and to accommodate **42 passengers** for long distance trips.
