

## **Bertin Technologies, a subsidiary of the CNIM Group, announces the sale of its Ergonomics Consulting business today.**

Montigny-le-Bretonneux – 29 June 2018 – Following a competitive process reported in a press release on 26 March 2018, Bertin Technologies today went forward with the sale of Bertin Ergonomie to the Human Design Group, under the majority ownership of Ciclad supported by the Bertin Ergonomie management team led by Dominique Soler.

Human Design Group will have the resources to boost the business's development and make it the reference company in the field of human factor-focused consulting and expert services for the design and digital transformation of complex systems

In divesting itself of this service-based business targeting wide-ranging markets, the CNIM Group intends to concentrate on its strategic business lines in the fields of Environment and Energy, Defense and Security.

### **ABOUT BERTIN TECHNOLOGIES**

BERTIN TECHNOLOGIES, subsidiary of CNIM Group, relies on its long history of innovation to develop, produce and market innovative systems and equipment worldwide. The company also provides engineering consulting services and is developing its information technology business. With 700 employees, two-thirds of whom are engineers or high-level managers, it achieved €100M in revenues in 2017.

The company is active worldwide.

### **A CNIM GROUP COMPANY**

Founded in 1856, CNIM is a French equipment manufacturer and industrial contractor operating on a worldwide basis. The Group provides its products and services to major public and private sector organizations, local authorities and national governments in environment, energy, defense, and high technology markets. Technological innovation is at the core of equipment and services designed and manufactured by the Group. They contribute to the production of cleaner and more competitive energy, to limiting the environmental impacts of industrial activities, to the security of sensitive facilities and infrastructures and to protecting individuals and nation states. CNIM is listed on the Euronext exchange in Paris. It relies on a stable family-based majority shareholding structure committed to its development. CNIM employs 2,500 people and generated revenues of €634.9 million in 2017, 51.6% of which was from exports.
